"A fine wind is blowing the new direction of Time"

D. H. Lawrence, Song of a Man who has come through

I point to my own absolute (?) experience of
myself as a step towards which all
my being flows (into) & fills and from that there
a physical place out of which the possible

"...or even dwell on it"

Roger Salem
April 15 1969

... so much as there is a steady flow of breath
of him who is the turbine of his own sources
it comes from the base of the neck
from a small hint of light far back of what is to happen
