

all the maps

try it adds up to a colour
twice working over it
in the summer down to baseball

the kids play their music
P. draws a bath
(margins, numbers and thinking about *it*
underneath

uh / schwa
arrows

three things
white in the next room
a number L
(a French sentence saying this)
the finest lyric cadence
voice near the sink
at the end of the day
gotta even it up
stomach knows
all the maps
